The Mid Missouri Chapter runs on volunteer service. Every March our chapter board pauses to thank all those who provided their time and talents during the previous year in support of chapter events. Our appreciation to each volunteer goes much deeper than the annual event, but we enjoy the opportunity to formally thank each person. This year we recognized the 19 volunteers from 2020 with a gift of our appreciation on behalf of the chapter.

Another part of our annual volunteer appreciation activity is awarding the Frank Cox Volunteer of the Year Award. This year the recipient was easy to identify, and it was actually offered to two volunteers in recognition of 10 years of service that both have contributed to the chapter. Lori Kleckner received the award for her consistent and valuable leadership of the PMO Forum Network from 2010 through 2020. Also receiving this year’s special award was Tony Lutz, who has served in various chapter leadership roles from 2010 through 2020. Tony brought consistency, strength, and understanding in helping guide the chapter’s growth over the past decade.

We are fortunate to have many long-time chapter members, and over the past decade we’ve also been fortunate that two of those long-time members also chose to be long-time volunteers. Thank you!

COMING SOON

Opportunities for Chapter Leadership

This summer we will begin our annual process to elect new board members for the next 2-year term. If you have an interest in leadership and want to increase your skills, we encourage you to consider chapter leadership opportunities. We will be filling the following positions for a 2-year term that will run from Jan. 1, 2022 through Dec. 31, 2023.

- President
- Vice President of Programs
- Vice President of Administration
- Vice President of Marketing

Our board members are involved in developing strategy, creating and supporting initiative, and providing a variety of programs that contribute to the continued success and growth of our chapter's members. Serving on the board is an excellent opportunity to develop your personal skills in leadership, decision-making, working with others to form a cohesive team, networking, and with an added bonus of developing new friendships in the process.

In a few weeks, the official nomination period will be announced. Look for an email with this announcement, which signals action from our members. The email will also provide link to the position descriptions for the above board roles.

Any member may submit a nomination for another chapter member who you believe would be a great addition to the chapter's leadership team. As a chapter member, you can also submit a nomination for yourself to let us know of your interest in one of the positions mentioned above. Please be considering whether you or other chapter members that you know would be great additions to the chapter's board. All nominations will be reviewed by an Elections Nomination Committee to confirm eligibility and interest in running for the position before the nominations are announced for voting.

2020 Annual Report

The Mid Missouri Chapter Annual Report for 2020 will be published in June. In the report you'll learn how the chapter survived the year despite the challenges faced due to COVID19. Our chapter was able to adjust plans quickly in order to offer free virtual events in place of the typical in-person format for network programs, but we were unable to offer any paid workshops or events. You'll see that impact in the profit and loss section. Some highlights from the report include:

- Membership dropped by 18 for a total of 224 members at the end of 2020
- 25 events were offered during 2020, with nearly 400 attendees
- 25 PDUs were offered
- Member survey was conducted to get a pulse on readiness for in-person events and interest in pursuing the annual conference plans, and decisions were made based on the survey results

We hope you'll read for yourself these and other details provided in the 2020 Annual Report, which will be available from the chapter's website.

Job Postings Provided on Chapter Website

A job posting has been added to the website. Many members are not looking for jobs, but if you are seeking new employment, this posting may be of interest to you.

We also think this is a great opportunity to remind you that the chapter's website Career Corner – Job Bank is available for local employers to post open positions that may be of interest to our membership. Job postings are published for 60 days. The Job Posting Policy provides instructions for submitting a job announcement.

This service is provided specifically to help our members find employment and also to find candidates for available positions within our local employers. We hope you and your employer will take advantage of this free advertising when you need it.

NEW ONLINE PROJECT RECOVERY CLASS

Projects can be unpredictable and may get into trouble and not fulfill the desired outcomes, goals, and objectives. Some failures, however, can be caught early and turned around. This course prepares participants in skills and techniques for detecting, diagnosing, and turning around failing projects. Upon completion, this course will give you 19.5 PDUs.

We'd like to give you a free preview! You can watch Keith's welcome video and the first lesson at no cost. For your free preview, go to <https://www.projectcoachingexpert.com/collections>
