*Evolving to Meet  
Our Expanding  
Portfolio and the  
Needs of the  
Marketplace*

Through research and listening to their stakeholders, they know that today's projects demand a broad set of skills and capabilities. The former elements of the PMI Talent Triangle didn't address all of their new offerings, while the new elements are inclusive of the tools and insights professionals need to develop new skills and tackle project challenges.

Re-skilling and upskilling employees with the combination of Ways of Working, Power Skills and Strategic Business Acumen will empower project professionals and their teams to make good decisions, have influence with different stakeholder groups, and choose the best way of working for any given situation.

# VOLUNTEER APPRECIATION

On April 21, the Chapter hosted its annual volunteer appreciate event – its first in-person event since the start of the pandemic!

It was wonderful to celebrate the volunteers who supported the chapter and its members throughout 2021! In addition to recognizing its volunteers, the chapter also takes this opportunity to recognize someone as the volunteer of the year. This year, the Frank Cox Volunteer of the Year was awarded to Rhonda Haake!

Rhonda has been a member of the PMI Mid-Missouri chapter since 2010, and has served as a chapter board member for 10 of those years – the maximum amount allowed by PMI. During this time, Rhonda served three terms as chapter president and also as vice president for a few different functions. While Rhonda has now transitioned off the board, she continues to serve the chapter by chairing its Professional Development Conference committee where she and others are hard at work preparing for this year's conference (October 13-14 at Lake of the Ozarks)!

Please join us in celebrating Rhonda and all of our other amazing volunteers! It truly is our volunteers who enable this chapter to thrive, so a special thanks to all of you!

If you are interested in ways to contribute to the success of the chapter and our mid-Missouri community of project minded professionals, our Vice-President of Volunteers, Dan Crouch, would be happy to discuss opportunities with you.

# HOURS FOR IMPACT

As a for-purpose organization, PMI is dedicated to enabling changemakers worldwide to elevate their positive impact on society. They believe that protecting our planet and improving the lives of people worldwide is essential for creating peace and prosperity.

Hours for Impact supports the United Nations 17 Sustainable Development Goals (SDGs) to better people's lives and the planet, now and in the future.

In 2021 PMI called upon our global community and set a goal to pledge 100,000 hours of service to advance the SDGs. They're proud to say that we surpassed their goal!

This accomplishment demonstrates the power of our impact-driven community. When we are all in it together, we can make a difference!

Join PMI as they aim even higher this year with a new goal of 125,000 hours! Together we can drive change and make an impact.
