4-DAY PMP/CAPM EXAM PREP

Velociteach's 4-Day PMP Exam Prep Course - 6th Edition Plus Agile is comprehensive, accelerated, and focused on a single goal: Equip students with the knowledge and techniques they need to pass the Project Management Professional (PMP) certification exam.

In our 4-Day class you'll learn Velociteach's proprietary "can't miss" strategies for answering difficult exam questions, unlock the secret to learning the massive amount of content found in the PMBOK® Guide 6th edition, and take loads of quizzes that look and feel like the actual PMP Exam. We'll help you think the way PMI thinks, giving you the right frame of reference needed to approach the exam with PMI's mindset. Covering key Agile concepts and terms, this course is aligned to the new PMP Exam Content Outline and prepares students for the PMP Exam released January 2, 2021.

When you take Velociteach's live PMP Exam Prep Course you get more than just an instructor-led class. We give you a comprehensive, accelerated learning program that includes live instruction, eLearning, step-by-step guidance, and all the study tools you'll need to pass the PMP exam. Among the resources provided is the bestselling textbook *The PMP Exam: How to Pass on Your First Try*, written by Velociteach CEO Andy Crowe.

This course is for anyone involved in leading and directing projects such as project managers, program managers, functional managers, consultants, project leaders and engineers. You do not need to have the title of "project manager" to become PMP certified, and the certification is not industry-specific.

29 SEPTEMBER DE&I PANEL: AGE DIVERSITY IN THE WORKFORCE

More age groups are reflected in the workplace today than any time in history. How is this growing diversity impacting projects and creating new opportunities?

Organizations with varying levels of age diversity offer a multitude of perspectives, experience levels, and insights that allow for greater collaboration and unique insights.

To both commemorate and celebrate age diversity within workplaces and across the project management profession, please join our group of project professionals, changemakers, and DE&I leaders as we dig deeper into how we can make the most of today's unique opportunity - 5 generations collaborating together.

Join us on September 29 from 8:00 AM to 9:30 AM CST and earn 1.5 leadership PDU's.
