*Supporting Holistic Project Planning and  
Understanding the Corporate Executive Role*

### LUNCH PM NETWORK: LEE LAMBERT

Lee Lambert will share his insights on supporting holistic project planning, including how to manage risk awareness, human resources, facilities, equipment, and service organizations in the planning effort.

### NEW MEMBER ORIENTATION

Join us for an engaging session designed to introduce you to the PMI-Mid MO Chapter, including its purpose and its role in supporting our members.

### Generative AI Overview for Project Managers

### GENERATIVE AI OVERVIEW FOR PMS

Generative AI Overview for PMs is a hands-on learning experience for project professionals that will empower you with practical knowledge of AI in project management that you can apply right away to your project management approaches.

## NEW MEMBER ORIENTATION

Join us for an engaging session designed to introduce you to the PMI-Mid MO Chapter, including its purpose and its role in supporting our members.

During this event, you will have the opportunity to meet with fellow PMI-Mid MO chapter members while immersing yourself in a welcoming atmosphere. Feel free to ask about anything that piques your interest, whether it's the chapter's activities, membership benefits, or how to get involved.

## GENERATIVE AI OVERVIEW FOR PROJECT MANAGERS

Generative AI Overview for Project Managers is a hands-on learning experience for project professionals that will empower you with practical knowledge of AI in project management that you can apply right away to your project management approaches.

Every project is unique—and brings with it a set of hurdles and challenges. And it takes a human touch to navigate it all. With the right skill set and embrace of AI, you can do more than ever before to meet every challenge that comes your way.

PMI offers this as a free course earning 5 PDUs

## LUNCH PM NETWORK - LEE LAMBERT

### SUPPORTING HOLISTIC PROJECT PLANNING AND UNDERSTANDING THE CORPORATE EXECUTIVE ROLE

Lee Lambert, one of the project management professions thought leaders has been spreading the PM word for over 50 years and was one of the Founders of PMP. He brings a “real world” message to those hoping to excel in their role of managing projects.

Lee Lambert will share his insights on supporting holistic project planning, including how to manage risk awareness, human resources, facilities, equipment, and service organizations in the planning effort. He will also review the corporate executive role and help attendees better understand this role and how to develop effective communications, seek random conversations, recognize and reward project performance, confirm staff professional development, and establish continuous improvement on all project disciplines.

Grab your lunch and plan to join us online.

You will receive a link to Zoom when you register for this event.
