PM PODCAST EPISODE 480: HOW TO MANAGE MULTIPLE PROJECTS

This month, we encourage attendees to [join us](#) after listening to episode 480 of the PM Podcast.

Together, we will discuss it and talk about how managing multiple projects blends formal PM technique with time management and productivity tools to consolidate our workload and be successful.

Together, let's look at how we can adapt to this prevalent request of project managers!

The graphic features the Project Management Institute Mid-Missouri logo on the left. In the center is a circular portrait of JANA BOTT, PMP, with her title 'Facilitator & Certified Project Manager' below it. To the right is a diagram with 'PROJECT PLANNING' at the center, surrounded by arrows pointing to 'STRATEGY', 'MANAGEMENT', 'MARK', 'FINANCE', and 'MO'. A blue banner at the bottom contains the event details: 'Thursday, September 28, 2023 12:00PM-1:00PM', 'PM Podcast Episode 480: How to Manage Multiple Projects', and 'Register Today At: www.pmimidmo.org'.

2023 PDC CONFERENCE

Have you registered to attend the 2023 Professional Development Conference?

Check out the [Speaker Line-up](#) and [Agenda](#) created to enhance your leadership, project management, and certification knowledge. This event is also a great way to expand your networking circle, sharing strategies and experiences while connecting with other project professionals.

[Registration](#) ends at midnight on Sunday, October 1st. We'd love to have you join with over 85 participants at this exciting event! Sign up now and save \$50 using the discount code "2023PDCLateRegistrant" to be part of Mid-Missouri Chapter's Professional Development Conference 2023!

PDC REGISTRATION DETAILS

[Breakout topics](#), [speakers](#) and [conference registration](#) details are available on the PMI Mid-MO Chapter website!

Register today and reserve your spot at the beautiful Margaritaville Lake Resort.

PDC SPONSORSHIP

We are now offering sponsorship and exhibitor opportunities for the 2023 Professional Development Conference!

Our chapter has over 300 members and a distribution list of over 500. By becoming a sponsor for this event, your company will be showing your support of the project management profession and to the local community of project management professionals.

Visit the chapter [website](#) for more information about sponsorship opportunities.

PMI GLOBAL SUMMIT 2023

Join us in Atlanta, Georgia, USA, for the largest, in-person, signature event of the year. [PMI Global Summit 2023](#) will bring together the leaders and project professionals committed to making ideas reality. Learn to build a stronger future for yourself, your work, and your world.

Come early or extend your stay in Atlanta to take part in PMI Training **October 23-24** or **October 30 – November 2**. Join expert training instructors and your peers in small-group, topic-intensive trainings aligned with the PMI Talent Triangle and earn additional PDUs. Registered attendees of PMI Global Summit receive 10% off registration for PMI Training in Atlanta. Promo code provided with a confirmed registration.

SIX SIGMA TOOLS FOR PROGRAM MANAGEMENT

Over the last decade, the formal structuring of program management within organizations has risen. However, many organization processes around program management are still immature. In order to focus on quality of all processes, organizations should build with a Six-Sigma approach. This includes building the Program Management processes.

This 4-hour webinar focuses on building Program Management processes with six sigma. It covers

- Building Quality in
- Structuring the effective retrospective
- Program Dashboard/metrics
- Root Cause Analysis

Join this PMI Minnesota Chapter [virtual event](#) on October 7th from 8:30 AM - 12:30 PM!

HYBRID EVENT & 20TH ANNIVERSARY CELEBRATION

On October 2nd, Saby Waraich will present "Delivering a complex project: Have you ever jumped from an airplane?".

Large-Scale Technology Projects, especially in the Public sector, are complex and challenging. Gain an insight into how public sector projects are different and what makes them so complex. [Come and learn](#) about an exciting turnaround of a public sector project that went on for almost a decade with multiple failures. What were some of the key strategies used to make this project successful? How can you use some of the learnings from this experience to manage your projects more effectively and deliver value to the customer? Learn about the Digital Transformation journey at City of Portland.

PUBLIC HYBRID PROJECT MANAGEMENT CLASS BLENDING TRADITIONAL & AGILE APPROACHES FOR PROJECT SUCCESS NOVEMBER 8-9 - 8:00 AM - 4:00 PM CST

Hybrid Project Management is popular because it combines both Traditional and Agile methodologies to plan any project regardless of the industry. This 2-day course includes teaching and activities that move beyond using these two approaches. It includes seldom discussed areas such as adjusting organizational culture, communication, and authority to support a hybrid environment. It will give participants skills and techniques for blending a project approach that matches the project to increase success, as well as expand the participants' principles and core knowledge of hybrid project management.

Register today for the low cost of \$299. Space is limited, so register soon! Registration closes on Thursday, November 2. For more information & to register, go to www.themathisgroup.com/virtual

Visit our website for more
information and to register!
