OCTOBER PMS @ LUNCH

LABOR OF LOVE: A PODCAST DISCUSSION OVER PROJECTIFIED, "THE ART OF PROJECT MANAGEMENT"

Join Jana Bott and fellow PMI Mid-Missouri members for a one-hour interactive discussion about the ideas presented in PMI's Projectified episode, "The Art of Project Management: Creativity, Connection and Joy at Work".

Participants will share their own experiences and perspectives, consider how the lessons translate across different industries and project environments, and explore ways to bring more creativity, connection, and purpose into their own work.

What you can expect to learn:

- Explore how creativity and human connection contribute to effective project leadership.
- Discuss ways project managers can foster collaborative and engaging team environments.
- Connect lessons from the podcast to projects and experiences across different industries.
- Learn from the experiences and perspectives of fellow project professionals.
- Identify one practical way to level up your own project management art.
